

WELCOME TO CITIZEN – THE PEOPLE’S BURGER BAR.

There are certain basic freedoms we hold dear. For one, the enjoyment of a great burger and a beer with friends. This is America, after all... a delicious burger is your right – perhaps even your responsibility.

We’ve teamed up with a few nearby farms, and they keep it simple – no hormones, nothing artificial, we’re talking happy grass-fed cows and free-range chickens here. We hope you’ll agree: if you’re going to eat meat, that’s the way to do it. (To check out some of the farms we work with, see the QR codes below.)

While we’re proud of the menu, we must say the bar is no slouch, either... Our wise and benevolent bar staff can recommend the perfect libation to complement your meal or your mood – just ask ‘em.

Our vision is anything but complicated: we believe in good food, cold drinks, and common ground. We know we’re not alone on that – and that’s how Citizen came to be. This is the people’s burger bar.

We Serve:

local grass fed & finished beef (beyond organic)

local chicken, no hormones, no antibiotics

local produce, often delivered by the farmer

local cheese from pastured cows & family farms

local bread, with nothing artificial

ingredients that are house made and farm fresh
